Subject: Application for Position at Web Developer

Dear Sir/Madam

     I'm writing to you regarding Web Developer, which I discovered on Linked In. I've been working as a Web Developer at Sharda Computer Chalisgaon for more than 1 years now, and during that time I've revamped web applications, designed and developed a user-friendly website,

     I'm interested in working for with your company because I want to further my own knowledge and interest in web development, and I believe I'll be able to offer new ideas to help our company reach and surpass the primary objectives mentioned in its job ad.

     Here are some essential web developer skills

- ✓ Word Press.
- ✓ Operating system software (Linux, and Microsoft Windows 7,8,10).
- ✓ HTML, CSS, JavaScript, PHP etc.
- ✓ Programming with Python.
